

beyond binary genderqueer and pdf

Genderqueer, also known as non-binary, is a catch-all category for gender identities that are not exclusively masculine or feminine—identities which are outside the gender binary and cisnormativity. Genderqueer people may express a combination of masculinity and femininity, or neither, in their gender expression.

Genderqueer - Wikipedia

Transgender people have a gender identity or gender expression that differs from their assigned sex. Transgender people are sometimes called transsexual if they desire medical assistance to transition from one sex to another.

Transgender - Wikipedia

To be a woman in male body as well as a male mind means that you are having traits of real women but there is also a male inside you. The male inside you responds in a male way but since you also are strongly feminine, you respond to it both as a woman as well as a man.
