Dear Internet Archive Supporter, I ask only once a year: please help the Internet Archive today. Most can't afford to give, but we hope you can.

The Mathematics of Investment : William L.Hart : Free

Mathematics of Investment and Credit is a leading textbook covering the topic of interest theory. It is the required or recommended text in many college and university courses on this topic, as well as for Exam FM. This text provides a thorough treatment of the theory of interest, and its application to a wide variety of financial instruments. It emphasizes a direct-calculation approach to reaching numerical results, and uses a gentle, thorough pedagogic style. This text includes detailed ...
