Life simulation (or artificial life games) is a subgenre of simulation video games in which the player lives or controls one or more virtual lifeforms.

Life simulation game - Wikipedia

A god game is an artificial life game that casts the player in the position of controlling the game on a large scale, as an entity with divine and supernatural powers, as a great leader, or with no specified character (as in Spore), and places them in charge of a game setting containing autonomous characters to guard and influence.
