In all, The Complete Encyclopedia of Weapons of World War II is a unique and essential document, covering the equipment and weapons systems, which themselves dictated the nature of the most widespread, most expensive and most destructive conflict the world has ever seen. World War II quite literally altered the face of the planet and the nature of its peoples' lives, and its reverberations are ...

Element Encyclopedia of Secret Signs and Symbols

The Encyclopedia of World Problems and Human Potential Online is the result of an ambitious effort to
collect and present information on the problems humanity is confronted with, as well as the challenges such
problems pose to concept formation, values and development strategies.
