The Inner Art of Vegetarianism is an admirable and inspiring work. Grab a copy of this if you can find it, because I think it is out of print. It is a companion book to The Inner Art of Vegetarianism. There are lots of good exercises in this book. Plenty of space to write and think. For those of you who like to analyze your dreams, the exercises on dreamwork are excellent and not filled with ...

Inner Bonding is a spiritually based, not religiously based, healing pathway. You do not have to believe in God to practice Inner Bonding, but you do need to learn how to access the guidance that is available to you, whether you experience this as outside yourself or within yourself, or as the highest part of yourself. Learning to access this higher guidance is part of the practice of Inner ...
