Inner city issues Clearly this amount of urban regeneration could not occur without substantial activity by the private sector as well as on the part of the local authority. However, it is also necessary to question whether

the benefits of this volume of private and public investment and other activity extend to the residents of the inner city of Birmingham as well as the city at large. This ...

7 Case Study: Birmingham - Policy Studies Institute

The term "inner city" has been used as a euphemism for lower-income residential districts in the city center and nearby areas. Sociologists sometimes turn this euphemism into a formal designation, applying the term "inner city" to such residential areas, rather than to geographically more central commercial districts.

Inner city - Wikipedia

Urban change. There are many problems within urban areas that require management. Problems can relate to any of the categories in the diagram below.

BBC Bitesize - Higher Geography - Management of urban

The inner city therefore reflects this and is located near to the CBD and consists of factories and tenement style housing which was built quickly and cheaply to house the workers who needed to live close to the factories.

Perth Academy Geography Department

Urban sociology is the sociological study of life and human interaction in metropolitan areas. It is a normative discipline of sociology seeking to study the structures, environmental processes, changes and problems of an urban area and by doing so provide inputs for urban planning and policy making.
