The Leadership Triad by Dale E. Zand (ebook)

Power, the third element of the triad, is a leader's traditional right to make decisions and resolve conflicts. Although a leader can make decisions by command, Zand notes that in today's knowledge-driven organization with educated, informed employees, the effective leader rarely issues directives, but instead acts more as a consultant and a client. The Leadership Triad is a down-to-earth, powerful guide with many examples from the author's extensive consulting experience and from companies ...
