I think the controversy over GMOs represents one of the greatest science communications failures of the past half-century. Millions, possibly billions, of people have come to believe what is essentially a conspiracy theory, generating fear and misunderstanding about a whole class of technologies on an unprecedentedly global scale.

Time to call out the anti-GMO conspiracy theory â€¢ Mark Lynas

The Namibian Defence Force was created when South West Africa gained full independence from South Africa in 1990. The constitution of Namibia defines the role of the military as "defending the territory and national interests."
